## TOWN WARRANT

### The State of New Hampshire

To the Inhabitants of the Town of New Hampton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said New Hampton on Tuesday, the 8th day of March, next at ten of the clock in the forenoon, the Polls to close not earlier than 6 P. M., to act on the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

Business meeting on all other articles to begin at 8:00 P. M.

2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for the same.

3. To see what sum of money the Town will vote to raise and appropriate for the repairs and maintenance of Highways and Bridges.

4. To see if the Town will vote to raise and appropriate the sum of \$867.73 for Town Road Aid, the State to contribute the sum of \$5,784.84.

5. To see what sum of money the Town will vote to raise and appropriate for the maintenance and tarring of Class V Roads.

6. To see what sum of money the Town will vote to raise and appropriate for the purchase of new equipment.

7. To see if the Town will vote to raise and appropriate the sum of \$1,617.00 for the payment of principal and interest on the Grader Note.

8. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

9. To see if the Town will vote to authorize the Selectmen to administer and dispose of any real estate acquired by the Town through Tax Collector's Deeds.

10. To see if the Town will vote to assume sixty (60) percent of the yearly cost of operating and maintaining the Precinct Fire Department.

11. To see what sum of money the Town will vote to raise and appropriate for Memorial Day.

12. To see what sum of money the Town will vote to raise and appropriate for Old Home Day.

13. To see what sum of money the Town will vote to raise and appropriate for the care of Old Cemeteries.

14. To see what sum of money the Town will vote to raise and appropriate for the care of the Village Cemetery.

15. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the Community Center.

16. (Petition)

To see if the Town will vote to rebuild (and put a macadam top finish on) the road between New Hampton and Bristol, known as the back road to Bristol, and extending from the old Fiske school house to the portion of the road which was rebuilt by the Town and the Public Service Company several years ago. And to see what sums of money and from what sources, including the Capital Reserve Fund, the funds shall be appropriated.

17. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the control of White Pine Blister Rust.

18. To see if the Town will vote to authorize the Selectmen to re-convey to the former owners, upon payment of all tax arrearages and costs, a tract of land with buildings there-on, located on Route 3B, purchased by

the Town at the tax sale held on July 17, 1959, said land being known as the Charles Dow property, and believed by your Selectmen to have a present day fair market value of several thousand dollars.

19. To see if the Town will authorize and appoint a Committee to study and report to the Town at the next Town Meeting on the feasibility and desirability of enacting Zoning Regulations, and raise and appropriate the sum of \$200.00 or such portion thereof as may be required, to defray costs of the Committee.

20. To see if the Town will vote to raise and appropriate a sum of money for the support of Hospitals.

21. (Request)

To see if the Town will vote to raise and appropriate the sum of \$515.75 for the Lakes Region Association.

22. (Request)

To see if the Town will vote to raise and appropriate the sum of \$50.00 for the Newfound Chamber of Commerce.

23. To see if the Town will vote to raise and appropriate a sum of money, not to exceed \$400.00, for the Newfound Area Nursing Association.

24. (Petition)

To see what sum of money the Town will vote to raise and appropriate for the construction of sidewalks in the New Hampton Village.

25. To see if the Town will vote to charge a definite sum for plowing private driveways, conditioned upon (1) the charge being paid by December 1st for each year, and (2) the driveways being in such condition as to permit plowing.

26. To transact any other business that may legally come before this meeting.

ROBERT H. MOULTON

VERNAL O. DRAKE

JOHN C. WHITE

Selectmen of New Hampton

NOTE: This warrant contains only those articles submitted prior to going to press and is subject to changes, subtractions or additions.

### HEALTH OFFICER'S REPORT

Public Health Activities this past year have been concerned with conduction of Polio Clinics, and, coordinated with the Community School. Routine examinations of school children, clinics for administration of Salk Vaccine were held in June and July and a total of 99 injections were given in all age groups. However, most injections were given to adults who appeared, most of the younger age groups having received vaccine at previous clinics or from their family doctors.

As of this report 77 children were examined at the Community School. As a result of these routine examinations, six children were further observed for possible heart disease. At all times children were referred to their family doctors. Many children were further referred to Dental Care or Ophthalmialogic consultations.

Influenza, possibly of the Asian type is a definite threat again this winter and Polyvalent Vaccine is urged for with particular emphasis for elderly, chronically ill and pregnant women.

My thanks again to Mrs. Comstock, our County Public Health Nurse and Mrs. Boeon our School Nurse.

Respectfully submitted

WILLIAM C. WALSH M. D.

## REPORT OF PUBLIC HEALTH NURSE

The following is a report I would like to submit for your Town Report.

There were no clinics held this past year for the immunization against Diphtheria, Whooping Cough, and Tetanus as a series of three clinics was conducted in 1958. It is not necessary to repeat this every year unless the incidence of the above named diseases increases significantly.

You were probably aware of the fact that the Salk Vaccine was released to all age groups last Spring and that in many areas adult polio clinics were conducted. Dr. Walsh made it possible for the State Department of Health to conduct two such clinics in New Hampton during June and July.

Before giving the figures regarding these clinics, I would like to mention that the local child health committee, headed by Mrs. Thelma Mudgett, played a vital part in the success of the program. This group of women have been a tremendous help in child health projects in that they have been responsible for contacting parents, to have their children immunized by their own physician or by attending the clinic. The committee also takes an active part in the operation of such clinics.

I will now try to point out some factors regarding the two polio clinics which I feel may be of interest to you and the people of New Hampton.

Total - 86

You will note that these clinics were held during the early evening, thereby enabling working adults and their families to obtain this protection. It was gratifying to see how many adults took advantage of this opportunity.

The proposed "Visiting Nurse Service" for the Bristol - New Hampton area would be a great health asset for the community, as there would be a nurse available to give concentrated bedside nursing since her area would include only a few towns. As many have been made aware of, the success of such a program depends, to a great extent upon the support of the people in each community. A local Visiting Nurse and the State Public Health Nurse both have a definite job to be done without duplicating the services of either. We would combine our efforts and work cooperatively toward the goal of improving health standards in the community.

If I have omitted anything you feel is pertinent, I will be glad to try and provide any information at hand.

VIRGINIA COMSTOCK, R. N.

Public Health Nurse

64 Court St., Laconia N. H.

## PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note. 58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners. 10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles - use your ash tray.
5. Don't burn at home - Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires, 1; number of acres burned, spot; number of permits issued, 5;.

GERALD S. GROSS

District Fire Chief

WILLIAM WALLACE

Forest Fire Warden

## SCHOOL WARRANT

## The State of New Hampshire

To the Inhabitants of the School District in the Town of  
New Hampton qualified to vote in District affairs:

You are hereby notified to meet at the New Hampton Community School in said district on the 4th day of March 1960, at eight o'clock in the afternoon, to act upon the following subjects.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees, in relation to any subject embraced in this warrant.
8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the School Board in its annual report.
9. To see if the district will vote to authorize the School Board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may or hereafter be forthcoming from the State of New Hampshire and/or United States.

10. To transact any other business that may legally come before this meeting. Given under our hands and seal at said New Hampton this 4th day of February, 1960.

School Board

**COMMUNITY SCHOOL HEALTH REPORT****September, 1958 to June, 1959**

Examinations given during the school year were as follows: Vision, 116 students, eighteen being found who needed eye care. All eighteen were treated by their family physician; hearing, 133 students, one child needed further examination; height and weights are done both Fall and Spring. A total of 415 recorded. Sixty-five physical examinations were given by Dr. Walsh in grades 1, 3, 5, 7, plus all new enrollments. Twenty disorders were found, eighteen of which the parents or guardian had taken care of promptly. There were thirteen minor accidents requiring first aid. Necessary supplies are maintained at all times. Weekly inspections of skin, mouth and scalp were done whenever indicated. Six cases of communicable disease were noted for 1958-59. Preschool conference was held on May 22, 1959 with ten prospective first graders attending. One mother started consultations with the Family Service Agency to help solve her children's school problems. Twenty home conferences were held.

The P. T. A. again sponsored a dental clinic, open to all eight grades with sixty-nine children participating. Seven needed no treatment while extractions and fillings were completed on sixty-two children. The P. T. A. is to be complimented for this worthwhile service to the school children.

To the entire staff of the Community School and to the parents I would like to express my gratitude for their wonderful cooperation during 1958-1959.

Respectfully submitted

BEVERLY L. BACON, R. N.

School Nurse-Teacher

*SUPERINTENDENT'S REPORT*

To the Board of Education and Citizens of the New Hampton School District:

I herewith submit my annual report as Superintendent of Schools.

Since the opening of school we have had two changes in staff. Mr. Paul Kilmister was released and Mrs. Ida Sirrine left due to illness. Replacing them are Mr. Richard York who has had several years of administrative experience and Mrs. Zampiere who is an experienced teacher.

This Supervisory Union requested the State Department of Education to authorize a Helping Teacher for this Union. The State Department acted favorably on this request in the fall. As a result of this action the joint school boards of this Union appointed Mr. Paul Kilmister, Principal of the New Hampton Community School, to this position. He assumed his duties January first. He will spend his time working closely with the teachers in the curriculum field to provide for the best possible education for each child commensurable with his ability. Substantial education gains should accrue in the years ahead as a result of this forward step.

In our program of education we are making a concerted effort in the field of reading to be sure that all our children gain a mastery of this very basic subject. French was added to the curriculum late this fall for pupils in grades four, five and six. This is a aural-oral rather than the grammatical approach used in High School. This approach should pay big dividends to our pupils that continue this study in High School.

Recently the school was equipped to receive the educational television programs of Channel 11 from the University of New Hampshire. Offered over this channel

weekly is science instruction for grades three, five and six, oral French for grade three and New Hampshire History for grade four. We are using the French program, science programs and the course in New Hampshire History. Since the instructors for the programs have been selected because they are excellent teachers and they also have many hours and much help to prepare a single lesson these lessons are of expert quality. The equipment they use in their science telecast is expensive and would cost the school more than the cost of the television installation.

This installation was installed at a cost of \$615.60. Half of this amount will be reimbursed to the district through the National Defense Education Act making the net cost to the district \$307.80.

The new addition to the school is progressing rapidly and soon will be ready for use. The timing of this addition is a credit to the school board and citizens of New Hampton. In view of the increasing enrollment the space will be vital to the future school needs of our community which means temporary makeshift classrooms will not have to be used.

The total appropriation recommended by the School Board and Superintendent for 1960-61 is \$77,617.70. This estimate through more than last year reflects \$6,187.50 in principal and interest payments to cover indebtedness. It is believed that this budget will serve the educational needs of the children of New Hampton.

I would like to express my sincere appreciation for your support and cooperation during the short time I have been here.

Respectfully submitted

HERMAN N. DONEGAN

Superintendent of Schools
